Curtain length (Hr)

Options

Rails

Rail length (mm)
(include overhang)

Fixed to ceiling
to wall

Single-sided

(Please note our curtains are double-sided unless otherwise requested)

Eyelets (interior diameter = 40 mm)

*(Please note our curtains are supplied with rufflette tape and hooks unless otherwise requested).
Track not supplied.*

Number of curtains and colour

(take fullness and overhang into account)

Colour (MR) Number of curtains

If you require more than one colour for the same installation, please provide drawing.

If you are installing more than one set of curtains, please send us a project support document for each set.

See fullness and overhang below:
